

Continuing Education with Connection Therapy

Course Title: Book Study Group

Duration: (3) 1 hour meetings, once per month for 3 months

Cost: \$95

Overview:

Join our community of professionals who care deeply about mental health topics, are passionate about improving their skills, and understand that sustainability in this work is enhanced by support from trusted colleagues.

Each month we will review sections of the book, and apply them to your specific environments and needs.

Program Details:

This program will enhance the knowledge of attendees by providing in-depth discussion and application of mental health topics, and by providing a supportive environment to collaborate with other professionals to enhance their practice.

Course Agenda:

- Introductions
- Review of Chapters
- Group discussion/Q&A

Learning Objectives:

- Attendees will be able to apply mental health topics specifically to their daily work
- Attendees will be able to incorporate mental health topics into their professional contexts
- Attendees will be able to consult and collaborate in a confidential setting
- Attendees will obtain additional information, as needed, to support their work

Participants:

This program is designed for mental health professionals and is intended to be a collaborative environment for all levels of education and licensure. There are no pre-requisites.

Instructor:

Dr. Murrow is a licensed psychologist who leads Connection Therapy, a private practice focused on serving rural communities in Kansas. Prior to practicing in Kansas, Dr. Murrow completed a Postdoctoral Fellowship at the Reiss-Davis Child Study Center in Los Angeles. She also is a core faculty member and Research Coordinator at Pacifica Graduate Institute where she teaches courses in psychological assessment, theory, and research. She shares psychological concepts in an accessible way through her podcast, Connection Therapy.

Course Evaluation and Completion:

Participants will be requested to complete a program evaluation, and will also be able to provide their feedback during and after the course. Participants will receive a certificate of completion for 1 hour of continuing education upon completion of a program evaluation.

Additional Notes:

- Course will be conducted via Zoom. Links and access details will be provided upon registration
- A reliable internet connection, and a device with video and audio capabilities are required

Schedule:

Courses are offered regularly as live, virtual events. Please see connection-therapy.com for schedule and details. In-person events can be arranged. Please contact: admin@connection-therapy.com for more information.
